MY WAY

Abbiamo cambiato il modo di interpretare le grafiche...  
fondiamo pattern di stili diversi e ricaviamo texture per creare oggetti...  
sentivamo l'esigenza di proporre qualcosa di nuovo, di diverso,  
ma sempre pensato e realizzato a modo nostro.  
Nasce così...

*We have changed the way we interpret graphics...  
we blend patterns of different styles and derive textures to create objects...  
we felt the need to propose something new, different,  
but always thought of and realised in our own way.  
Thus was born...*

## MY WAY

Ogni grafica proposta è il risultato di un attento lavoro di ricerca e progettazione, pensato per trasformare le pareti in veri e propri capolavori decorativi.

Alcuni elementi distintivi delle grafiche sono stati reinterpretati per dare vita a tessuti esclusivi, ideali per tendaggi, cuscini, poltroncine, tappeti e altri complementi d'arredo.

Il risultato è un continuum estetico che fonde pareti e arredi, creando armonia e personalità in ogni spazio.

Lasciatevi ispirare da questa collezione, dove il design si evolve ed integra elementi diversi per creare ambienti che raccontano storie uniche e riflettono lo stile di chi li abita.

*Each proposed graphic is the result of careful research and design work, conceived to transform walls into true decorative masterpieces.*

*Some distinctive elements of the graphics have been reinterpreted to create exclusive fabrics, ideal for curtains, cushions, armchairs, carpets and other furnishing accessories.*

*The result is an aesthetic continuum that blends walls and furniture, creating harmony and personality in every space.*

*Be inspired by this collection, where design evolves and integrates different elements to create environments that tell unique stories and reflect the style of their inhabitants.*

## ABOUT US

Un'azienda veneziana dall'inesauribile creatività, Instabilelab propone la propria personale ed inedita interpretazione della carta da parati rimescolando idee e stili diversi, creando abbinamenti estetico-concettuali inediti, per dare reale valore e personalità agli spazi abitativi.

Innumerevoli sono i pattern e le atmosfere che l'azienda presenta anche grazie allo studio di texture e di nuove modalità di impiego e applicazione. Instabilelab, infatti, supera i limiti dell'utilizzo del parato, che progetta in un'ottica di continuum grafico realizzabile attraverso una serie di prodotti e tessuti dedicati a chi vuole realizzare un'atmosfera più che un ambiente.

Non solo creatività ma anche tecnologia: l'azienda ha il know how necessario per riprodurre le sue grafiche su diversi tipi di supporto e per coprire ogni aspetto del living indoor (pareti, soffitti, pavimenti, zone umide, elementi d'arredo, tessuti) e outdoor, grazie all'impiego di rivestimenti murali resistenti agli agenti atmosferici.

*A Venetian company of inexhaustible creativity, Instabilelab presents its own personal and original interpretation of wallpaper, mixing different ideas and styles, creating new aesthetic-conceptual combinations to give real value and personality to living spaces.*

*The company presents countless patterns and atmospheres, also thanks to the study of textures and new methods of use and application.*

*Instabilelab goes beyond the limits of the use of wallpaper, which it designs with a graphic continuum that can be achieved through a series of products and fabrics dedicated to those who want to create an atmosphere rather than an environment.*

*Not only creativity but also technology: the company has the necessary know-how to reproduce its graphics on different types of support and to cover every aspect of indoor living (walls, ceilings, floors, wet areas, furnishing elements, fabrics) and outdoor, thanks to the use of weather-resistant wallcovering.*

# My Way concept

Il percorso creativo trasforma un'idea in realtà, rendendoti protagonista della realizzazione dell'ambiente.

Tutto parte dalla tua visione: immagina lo spazio che desideri realizzare, dai colori alle forme, dai materiali alle sensazioni che vuoi trasmettere.

Questo è il momento di lasciarti ispirare senza limiti.

Dai forma alle tue idee selezionando gli elementi che meglio riflettono il tuo stile, partendo dalle fantasie **My Way** per proseguire con la nuova collezione di **CarpetiaLAB**.

Che si tratti di grafiche, tessuti, tappeti o complementi d'arredo, ogni scelta contribuisce a creare un ambiente unico e personale. My Way nasce per ispirare e guidare nella creazione di spazi in cui stile, creatività e innovazione si intrecciano armoniosamente.

Tutte le grafiche della collezione sono state pensate per creare scenografie e ambienti unici nel suo genere, mescolando texture, colori e oggetti che raccontano storie uniche e riflettono lo stile di chi li abita.

*The creative path transforms an idea into reality, making you the protagonist in the realisation of the environment.*

*Everything starts with your vision: imagine the space you want to realise, from the colours to the shapes, from the materials to the feelings you want to convey.*

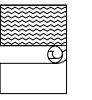

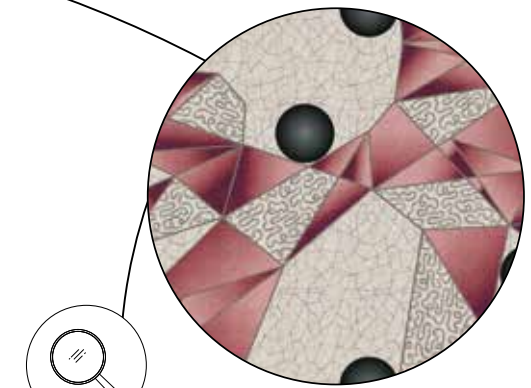

*This is the moment to let yourself be inspired without limits. Give shape to your ideas by selecting the elements that best reflect your style, starting with **My Way** patterns and continuing with the new **CarpetiaLAB** collection.*

*Whether graphics, fabrics, carpets or furnishings, each choice contributes to a unique and personal ambience. My Way was created to inspire and guide in the creation of spaces where style, creativity and innovation are harmoniously intertwined.*

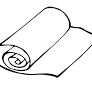

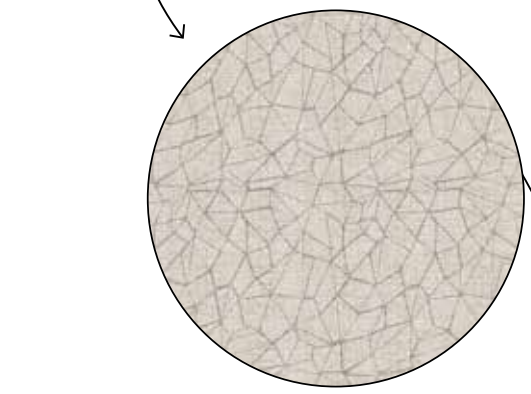

*All the graphics in the collection are designed to create unique settings and environments, mixing textures, colours and objects that tell unique stories and reflect the style of those who inhabit them.*

I planned each charted course  
Each careful step along the byway  
And more, much more than this  
I did it **my way**...
